Our Ship – celebrityBEYOND (a personal review)

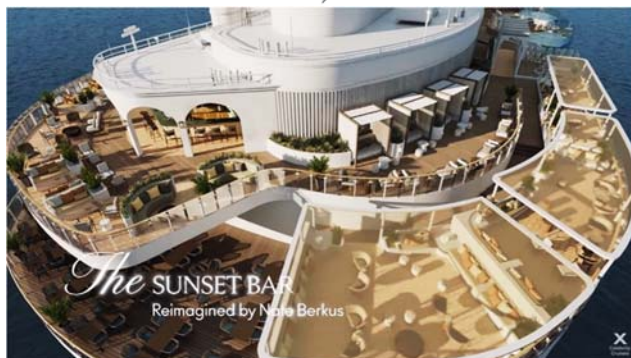

I recently had the pleasure of attending the inauguration of the BEYOND and she is truly nothing less than spectacular! This ship was designed and built for C2C's discerning, stylish and fun-loving clientele.

From the moment you step onboard, you sense the environment of a chic, hip hotel rather than a ship. Every corner of the BEYOND has been thought through with incredible attention to detail. The design is very contemporary, yet invitingly warm. The art collection which adorns the ship, inside and out, is truly world class and worth taking notice of. Her bars, restaurants and public venues are casual by day, yet in the evenings the ship invites guests to be as stylish as she is...a noticeable and welcome difference from other premium cruise lines.

I can't say enough about the dining experience. Gone are the large dining halls which have been replaced by smaller, elegant venues...and the cuisine is delectable! (I may just have had the best steak ever at Beyond's steakhouse!). Guests who chose to book Retreat Class accommodations can enjoy the intimate dining experience at Luminae for each meal, where the cuisine is only outdone by the service. And, in my opinion, the jewel in this shimmering crown which is the BEYOND is an area in the aft of the ship called, EDEN.....a place to drink, dine or simply take in the view from the three-story panorama windows. It was fun observing guests as they entered EDEN and a state of "nirvana"...almost as if they had transcended into an imaginary fairytale forest...which, BTW, serves craft cocktails!!! Also, guests who are familiar with Celebrity's first EDGE class ships will be happy about a few welcome changes.....the atrium Martini bar is once again a bar-in-the-round, making the atrium "the place to be" at night...and the Sunset lounge on the aft top deck has been totally redesigned creating three times the space in multi-level seating and socializing areas. Finally, there's the entertainment in the state-of-the-art theater which will blow you away.....featuring Broadway-level singers & dancers , plus a bit of "Cirque"!

I can sum it up by saying that this ship was aptly named, as she is truly "BEYOND your imagination". I can't wait to welcome you aboard!
